Admiral Stansfield Turner  
Director  
Central Intelligence Agency  
Washington, D.C. 20505

*Request*

Dear Admiral Turner:

The Subcommittee on Foreign Economic Policy is currently looking into U.S. relations with Uganda. Subcommittee staff have received a copy of a document listing what are purported to be Palestinians who were issued Ugandan passports, including diplomatic passports (see enclosure).

I would greatly appreciate it if the Central Intelligence Agency could verify the authenticity of this document. Also, I would like to know if any of the people listed are known to be members of the Palestinian Liberation Organization or any other radical Palestinian group; if any of the named individuals carry or have carried Ugandan passports; and if the Government of Uganda has ever issued passports to members of the P.L.O. or any terrorist group. Finally, I would appreciate it if you could inform me if any of the Ugandans who have received training in the United States in the last five years were members of the P.L.O.

Thank you very much for your assistance in this matter.

Sincerely,

*Frank Church*
